

OCR A Level Biology

Madeley Academy

WHY BIOLOGY?

The opportunities for students of Biology, on completion of full-time education, are enormous. There are many possible careers within the scientific world and qualifications in Science subjects are acceptable as an entry into many other careers.

Science students are currently preparing to move into Higher Education Courses and careers in the following fields:

- Aeronautics
- Biological Sciences
- Chemical Engineering
- Chemistry
- Forensic Science
- Medicine Research
- Nursing
- Pharmacy
- Physiotherapy
- Veterinary Science

The Science courses offered at Madeley Academy are designed to provide academic and vocational experiences. They will prepare students for their choice of career in both the world of work and Higher Education.

SPECIFIC ENTRY REQUIREMENTS

- Students must achieve a minimum of 5 GCSEs Grade A* - C including English and Mathematics
- Grade B (Higher Tier) in GCSE Biology (Separate Sciences) or Grade B (Higher Tier) in Core and Additional Science
- High Grade B in Mathematics

COURSE DETAILS:

The A Level syllabus has been overhauled in line with government policy for first teaching in 2015. You will study 6 modules of work each covering different key concepts of Biology. Assessment is now all at the end of 2 year course and consists of three written exam papers.
