

WHY SPANISH?

Students who have the ability to offer potential employers the capability to speak a fluent level of Spanish with a high degree of accuracy possess an extremely marketable and sought after skill.

With the advent of a European free market in trade, industry and employment, combined with the ongoing development and rapidity of international communications, the relevance and value of the foreign language has never been more obvious. AGCE Courses are now being designed to incorporate a vocational as well as academic dimension, preparing students for exciting career opportunities in a wide range of professions such as:

- Tourism
- Hospitality & Catering
- Banking
- Business Administration
- Teaching
- Commerce

These courses will also serve as excellent preparation for students wishing to proceed to Higher Education.
