

Madeley Academy

Ethos and Values Statement

Prepared by: Maria Satchwell

Date: June 2026

Review Date: June 2027

The key aim of Madeley Academy is to give students the opportunity to achieve their personal best and to maximise individual talents in all forms by being “Focused on Success”.

We will help our students to develop as successful, confident learners who make progress and who are prepared for life and work.

We follow the National Curriculum, providing the core subjects of English, Mathematics and Science and supplement this with a range of other academic and vocational courses. At post-16 we provide a broad spectrum of options to suit all abilities and wide-ranging ambitions.

We are committed to promoting equality, diversity and inclusion, and to supporting the mental health and wellbeing of all members of our school community.

Our main objectives are:

- To ensure that our students receive and enjoy their educational entitlement, irrespective of gender, ethnicity, race, religion or special need
- To ensure barriers to learning are identified and addressed for our most vulnerable learners with appropriate interventions in place
- To develop students as independent, confident and responsible individuals
- To prepare students for, and help them achieve, their future employment aspirations
- To deliver outstanding teaching and learning for all students
- To equip students with the digital skills, critical thinking, and adaptability required for life in a rapidly changing world
- To provide a safe and secure learning environment with state-of-the-art facilities
- To encourage students to achieve their full potential
- To develop positive relationships in the community, particularly with local industry and commerce
- To provide supportive pastoral care
- To report regularly on students’ progress and work collaboratively with parents to foster the best interests of every child

We expect all members of our Academy community to:

- Be focused on success and strive to achieve their very best
- Demonstrate responsibility, respect and resilience at all times
- Maintain high standards of attendance and punctuality
- Show courtesy, good manners, and respect for others
- Follow Academy rules and uphold our shared values
