

## **Academy Information: Free School Meal Provision**

### **Update: 14<sup>th</sup> April**

Voucher codes for the Government's Free School Meal Voucher System have now been sent to all families affected.

The vouchers are valid from the 20<sup>th</sup> April so your codes will only work from this date onwards. We originally thought that the council were organising FSM vouchers for the 2 week Easter holiday period but unfortunately that was not possible and schools were asked to order vouchers to cover these additional 2 weeks.

We have done this but due to a backlog on the system, we are still waiting for these; as soon as these are available we will be posting these vouchers to you. We apologise for the delay and will post any further updates on our Twitter account @MadeleyAcademy.

For more information on how the new system will work, please see:
