

# Celebrating the success of Madeley students

**Alumni case-study :**

Davina Odedra

**Dates at Madeley :** 2013- 2020

**Subjects studied :**

A Level Biology, Chemistry and Maths

**Current status :**

Studying Medicine at Keele University.

## **Career Pathway**

Since leaving Madeley Academy I have furthered my studies at university, currently in my first year of five in my medicine course.

My plans are to finish the 5 year course, and then go on to specialise in a specific area of medicine. Plus I would love to teach other medical students in the future.

## **Advice for students**

Surround yourself with people who motivate and believe in you.

## **Best memory of Madeley**

There's too many! But overall the family feeling environment, which brightened up the duller days!
