

Madeley Academy

Ethos and Values Statement

Prepared by: Maria Satchwell

Date: September 2017

Review Date: September 2018

The key aim of Madeley Academy is to give students the opportunity to achieve their personal best and to maximise individual talents in all forms by being “Focused on Success”. We will help our students to develop as successful, confident learners who make progress and who are prepared for life and work. We follow the National Curriculum, providing the core subjects of English, Mathematics and Science and supplement this with a range of other academic and vocational courses, specialising in Business and Physical Education. At post-16 we provide a broad spectrum of options to suit all abilities and wide-ranging ambitions.

Our main objectives are:

- To ensure that our students receive and enjoy their educational entitlement, irrespective of gender, ethnicity, race, religion or special need
- To develop students as independent, confident and responsible individuals
- To prepare students for, and help them achieve, their future employment aspirations
- To deliver outstanding teaching and learning for students
- To provide a safe and secure learning environment with state of the art facilities
- To encourage students to achieve their full potential
- To develop positive relationships in the community, particularly with local industry and commerce
- To provide supportive pastoral care
- To report regularly on progress and work collaboratively with parents to foster the best interests of every child

We expect:

- Good attendance and punctuality
- Good standards of behaviour
- Good manners and respect for teachers and fellow students
- Conformity with Academy rules
