Concerns & Complaints Policy (Parents and Carers)

Reviewed & Revised: September 2024

Next Review: September 2025

All academies and trusts must have a complaints procedure, which must meet the requirements in the standard at the [Education \(Independent School Standards \(England\) Regulations 2014](#) Schedule 1, Part 7.

Introduction

This Concerns and Complaints Policy is available in individual form on each website of the schools in Thomas Telford Multi Academy Trust ("TTMAT"). It is for use by parents/carers who have students on the enrolment at TTMAT schools. Details of each school (hereafter referred to as "Academy", including other schools of another status. i.e., UTC) which fall under the responsibility of TTMAT can be found on its website www.ttmat.net

A separate policy exists for members of the community who are not parents/carers of students at a TTMAT Academy, and each Academy publishes this via its website.

This policy provides:

- An opportunity to resolve a complaint with the Academy on an informal basis, for example through discussion with a senior member of staff
- A formal complaint stage where a complaint is made in writing
- A hearing with a panel appointed by or on behalf of the Local Governing Board
- A hearing with a panel appointed by TTMAT

The exceptions to this requirement are complaints relating to the Curriculum, Collective Worship and Religious Education; some Special Educational Needs issues and Admission issues; and others where Local Authorities have statutory responsibilities, such as Safeguarding. The Headteacher or Concerns & Complaints Officer at each Academy can give information and advice about complaints in these areas.

There are certain other complaints which fall outside the remit of the Local Governing Board's complaints procedure; for example, staff grievances or disciplinary procedures which are dealt with under separate policies. Any complaints concerning the conduct of Academy staff will be handled in accordance with the Academy's internal disciplinary procedures. The details of such an internal investigation will remain confidential.

Allegations of abuse involving a member of Academy staff must be reported to the Headteacher immediately. Allegations of abuse involving the Headteacher must be reported to the Chair of the Local Governing Board immediately.

TTMAT and the Academy reserves the right to seek external advice and support at any time that it is considered necessary or appropriate in respect of either a complaint or concern.

The Headteacher provides the Local Governing Board with a termly report outlining matters of concern or complaint which have been satisfactorily resolved in line with this policy.

Concerns are matters that can usually be resolved informally; if a concern is not resolved then the complainant will have the opportunity to put the complaint in writing and the formal complaint procedure will then be engaged. It is in everyone's interest that matters are resolved at the earliest possible stage. The experience of the first contact is crucial in determining whether the concern will escalate. Complaints are processed on school days. This means that a complaint received during any school holiday or professional development day will be deemed to have been received on the first

CONCERNS & COMPLAINTS POLICY

school day after the holiday period has ended. There might be exceptional circumstances when a matter is dealt with sooner.

Stage 1 Concerns (Meeting with Teacher, Personal Tutor, Head of Department or Year Manager)

- As soon as a concern is registered with the Academy either, verbally in person, via email, in writing, or by telephone, a meeting with the person registering the concern will be offered and if accepted convened within **5 school days**
- If a meeting is not required by the person registering the concern an option of telephone feedback will be offered
- A concern will normally be heard or dealt with by a Teacher, Personal Tutor, Head of Department or Year Manager
- The outcome of the concern will be recorded in the pastoral log and feedback provided to the person registering the concern within **2 school days** of receiving the concern
- If the concern is not resolved satisfactorily, it may be treated as a complaint
- All complaints **must** be in writing

Stage 2 Formal Complaint (Meeting with Deputy Head)

- Complaint received in writing
- A meeting will be convened with the complainant within **5 school days**
- The complaint will normally be heard by a Senior Staff member such as a Deputy Head
- The outcome of hearing the complaint will be recorded in a letter which will be sent to the complainant within **2 school days** and the Academy will retain a copy for its records
- If the complainant is not satisfied with the outcome, then he/she should indicate the reasons in writing within **5 school days after receiving the letter** to the Headteacher

Stage 3 Formal Complaint (Meeting with Headteacher)

- A meeting will be convened with the complainant within **5 school days**

- The Panel will hear the complaint
- Parents can attend and be accompanied at the Panel Hearing if they wish
- The outcome of the complaint and recommendations will be recorded in a letter which will be sent to the complainant within **2 school days** and the Academy will keep a copy for its records

CONCERNS & COMPLAINTS POLICY

Stage 5 Appeal to TTMAT Panel (Meeting with the Chair, or their designated representative, plus two Trustees)

- As TTMAT is legally responsible for the Madeley Academy, the Panel will consider all documentation to determine whether or not a final meeting is required to hear an appeal against the decisions which have been reached at the earlier stages of this process
- TTMAT may seek legal advice if necessary
- Members of the Appeal Panel will not have been involved with any aspect of the complaint at any stage
- If a meeting is required, all reasonable steps will be taken to try to ensure that this is convened within **10 school days**
- The outcome of the appeal will be recorded in a letter which will be sent to the complainant within **2 school days** after the Appeal Hearing, or earlier if the Appeal Panel decides that there are no grounds for an appeal. The Academy will keep a copy for its records

If the complainant is not satisfied with the handling of their complaint, then he/she has recourse to the DfE (**Details on page 5**) or an appropriate third party.

Please note that a written record of all complaints is kept confidential.

If, without good reason, the complainant does not accept one of up to three meeting dates which are proposed at each stage of the process, the meeting will proceed in the complainant's absence and on the basis of the written submissions which have been received from all parties.

CONCERNS & COMPLAINTS POLICY

Concerns or complaints specifically about the Headteacher:

A decision that the Headteacher has made as a result of a Level 3 complaint does not become a complaint about the Headteacher. If the complainant feels the complaint has not been resolved satisfactorily, they should proceed to Stage 4, a Governors' Complaints Panel.

If the concern or complaint is specifically about the Headteacher and is not resolved at Stages 1-3, then it will be necessary for the complainant to proceed to Stage 4 and formally complain to the Chair of the Local Governing Board. The complainant should write to him or her at the Academy address marking the envelope "Confidential". The Chair of the Local Governing Board should acknowledge the complainant's letter in writing within 5 school days of receipt and decide on what action should be taken. In the event that the Chair of the Local Governing Board is not available within the stated time period the Concerns & Complaints Officer will refer to TTMAT the Executive Advisor for guidance.

Additional Notes:

The Academy staff and Governors will always work with parents to try and secure a satisfactory outcome following a complaint. However, there may be occasions when the expertise within the Academy is not able or sufficiently knowledgeable to deal with a specific complaint. In such rare cases the Academy reserves the right to refer complaints to experts in chosen fields at any of the three stages in the process including the Executive Advisor. Any such third parties may then respond to the complainant on the Academy's behalf if requested to do so.

In circumstances where the nature and extent of a complaint are unusually complex, the Academy also reserves the right to amend the timescales used in the complaints procedure to ensure that adequate time is made available to try and resolve the complaint satisfactorily.

Part of the Concerns and Complaints Officer's role is to assist the complainant in the process and the complainant should feel free to take advice, as appropriate, from the Concerns and Complaints Officer at any time during school hours.

Correspondence sent by post will be deemed to have been received the day after posting when sent by first class post or two days after posting when sent by second class post. Letters may be attached to email correspondence for expediency and efficiency.

Parents/carers that are not satisfied about the handling of their complaint have recourse to the DfE via: <https://www.gov.uk/complain-about-school>

Collecting Evidence

Any recorded telephone or video images (CCTV) or photographic evidence collected as part of investigations will be processed fairly and lawfully in accordance with General Data Protection Regulation 2018 (GDPR) as far as it will be:

- Adequate, relevant, and not excessive
- Used for the purposes(s) stated in this policy only and not used for any other purposes
- Accessible only by the senior member of staff conducting the investigation and after securing permission from the Headteacher
- Treated confidentially
- Stored securely

CONCERNS & COMPLAINTS POLICY

Data collected by use of CCTV may be used for prevention and detection of crime, staff disciplinary and student behaviour, discipline and exclusions as required.

Data may be stored and viewed from the CCTV provider, or downloaded onto other digital platforms, which may include, but are not exclusively, portable storage devices, laptops, Academy servers. It may be shared with Academy staff, used as evidence in tribunal or exclusion proceedings and may be shared with third party agencies such as the Police, the Local Authority, or Social Care, subject to internal Data Protections processes.

The Remit of the Governors' Complaints Panel and others dealing with complaints under this policy

Whilst the procedures for hearing complaints involve a formal process, and meetings are held in private, every effort will be made to allow the proceedings to be as informal and constructive as possible, focusing on resolution of the complaint to everyone's satisfaction. All parties will be expected to act with respect, courtesy, understanding and tolerance, particularly if a child is in attendance.

All parties at the meetings will have access to the same documentation which, as far as is possible, will be distributed in good time before the meeting date. All parties will have the opportunity to state their case or position and to ask questions. On occasions, there might be an adjournment of proceedings to provide time for reflection, private discussion or the comfort and wellbeing of attendees etc. The aim will, however, be to resolve all matters at a single meeting. Electronic recordings of meetings or conversations are not normally permitted unless a complainant's own disability or special needs require it. The prior knowledge and consent of all parties attending must be sought before electronic recordings of meetings take place.

The remit of those hearing complaints will not involve reviewing any new complaints or considering evidence which is unrelated to the complaint. Any further concerns which the complainant might have should be progressed in accordance with Stage 1 of this policy.

Options available for those dealing with complaints:

- dismiss the complaint in whole or in part
- uphold the complaint in whole or in part
- decide on the appropriate action to be taken to resolve the complaint
- recommend changes to the Academy's systems or procedures to ensure that problems of a similar nature do not recur

The Concerns and Complaints Officer will remain the contact point for the complainant and will set the date, time, and venue of the hearing, ensuring that the dates are convenient to all parties and that the venue and proceedings are accessible.

The Clerk to the Governors, or another suitable person, will attend the Panel and Appeals meetings to make a procedural record of the meetings

A template, **Appendix A**, is attached to assist the complainant if they wish.
