

Citizenship Curriculum

Key Stage 2 - Prior Knowledge

In primary school you will have started to explore:

- how the laws, democracy and organisations influence what it means to be a British citizen
- the forms money can take and making basic financial choices i.e. spending or saving
- the different jobs carried out in society and looked at skills you can develop to support in your careers in the future

You will further study these topics and other parts of Citizenship in other subject areas such as History and PSHE within Personal Tutorial.
