Level 2 Certificate in Hairdressing and Beauty Therapy (AM20530 VTCT)

UV21582 Hair and Beauty Science.

This unit will provide learners with an understanding of the chemistry of hair and beauty products, including the ingredients in hair and beauty products and their effects on the skin and hair

UV21583 Responding to a hair and beauty design brief

This unit will provide an understanding of the design briefs that are commonplace in the hair and beauty sector. Learners will analyse design briefs, respond to a hair and beauty design brief, use a range of sources, analyse information, develop design ideas and present their design

UV21578 Understanding the hair and beauty sector

This unit will develop understanding of the businesses that make up the hair and beauty sector, the products, services and treatments offered, the size and structure of the hair and beauty sector and its importance to individuals, businesses and the UK economy

UV21579 Hair and Beauty Research project

This unit will provide understanding of the different types of hair and beauty research projects, the factors to consider when planning, producing a proposal for research into the sector, carrying out a hair and beauty research project, presenting findings and self-evaluation.
