Maths Curriculum Overview

	Autumn	Spring	Summer
7	Analysing & displaying data Number skills Expressions, functions & formulae Decimals & measures	Decimals & measures Fractions & percentages Probability Ratio & proportion	Lines & angles Sequences & graphs Transformations
8	Number skills Area & Volume Statistics, Graphs & Charts Expressions & Equations	Real Life Graphs Decimals & Ratio Lines & Angles Calculating with Fractions	Calculating with Fractions Straight Line & Quadratic Graphs Fractions, Decimals & percentages
9	Number Algebra Data Fractions, ratio & percentages	Fractions, ratio & percentages Angles & trigonometry Graphs	Area & volume Transformations & constructions End of year exams Problem solving
10	Equations & inequalities Probability Multiplicative reasoning Similarity & congruence	Similarity & congruence More trigonometry Further statistics Equations & graphs	Equations & graphs Circle theorems More algebra End of year exams Problem solving
11	Vectors & geometric proof Proportion & graphs Mock Examinations	Individualised Schemes of work	Individualised Schemes of work
