ENTRY REQUIREMENTS
6 GCSEs at grade 4+ including grade 4 in English Language & Maths

Madeley Academy is in the top 4% of Sixth Forms nationally and received outstanding comments from Ofsted in May 2017 in terms of curriculum, standards, careers and leadership.

It offers a wide range of course combinations to ensure that students from across Telford have the very best foundations for the future.

The curriculum is enriched by opportunities such as The Duke of Edinburgh Awards Scheme and a comprehensive sports programme, as well as work experience and volunteering placements.

Our facilities are fantastic and include a state of the art Fitness Centre and modern Sixth Form Cafe. Sixth Formers benefit from our in-house careers service which provides one-to-one career plans and advice in wide ranging fields.

"In the Sixth Form the wide range of subjects on offer and enrichment activities available, enable the school to offer tailored individual study programmes for students.

Leadership and management in the Sixth Form are very strong. This is reflected in the high quality of support and guidance provided for individual students, the high quality of teaching and learning, and the excellent outcomes achieved" - Ofsted Report May 2017
