Student Agreement

Academic Year 2025-2026

Welcome to Madeley Academy. This document has been produced to help clarify what the Academy is trying to achieve and what the role of each member of our Academy's community is, in this vital partnership.

All students are encouraged to take part in at least one Session 3 activity each week. We expect all students in Years 7 and 8 to attend at least one session 3 per week.

Students in Years 9-13 are expected to combine mandatory attendance if required by a teacher and optimal attendance for students wishing to access further support in their learning.

We would like you to read this agreement carefully and then accept via the App to indicate that you and your child are willing to work in partnership with the Academy.

The Academy will:

- Provide a polite, courteous and prompt response to all contacts made with the Academy
- Offer a broad and balanced curriculum to meet the needs of students of all abilities
- Endeavour to help your child fulfil their potential as a learner and as a valued member of the Academy's community
- Keep you regularly informed about general Academy matters and in particular about progress, attendance and punctuality
- Set, mark and monitor homework and provide facilities for students to do homework in the Academy
- Insist that Students observe the Academy's behaviour and anti-bullying policies to help achieve high standards of work and behaviour
- Encourage all students to take responsibility for their own actions, feel proud of their achievements and enjoy being a student at the Academy
